

## PHASES OF THE MOON

**Which Surah in the Quran is named after the Moon?**

---

**Allah also mentions the Moon in Surah Yunus. Find the ayah number and copy out its meaning.**

---

---

---

---

**Prophet Yusuf alayhisalam had a dream related to the Moon. What did he see in his dream? Hint: Surah Yusuf explains describes this.**

---

---

---

---

**What does the term 'waxing' mean when we describe the Moon?**

---

---

**What does the term 'waning' mean when we describe the Moon?**

---

---

**Those who live North of the Equator see the Moon light up from the \_\_\_\_\_.**

**Those who live South of the Equator see the Moon light up from the \_\_\_\_\_.**

**Shade the images, and then using an eraser complete the phase of the Moon, writing the phase underneath.**
